

Dear Partners,

Spring has arrived and graduation ceremonies are everywhere. Congratulations to all of our students! An area of Champion Ministries we'll highlight this issue is providing financial assistance to Bible school students through the Bruce Robert Painter Scholarship. This fund is making a tremendous difference in student's lives.

Our nephew Bruce Robert was the kind of person that once you met him you never forgot him. He was always a blessing to be around. Unfortunately, a tragic dirt bike accident cut his life short at 12 years of age. Champion Ministries recognizes the impact Bruce Robert had on people and continues touching lives through his memory and scholarships.

One of our Bible School students recently wrote, "I would just like to say thank you for supporting me as I went to TBI for my first year. Your support and prayers helped me more than you will know. I learned foundational lessons that will stay with me as I continue my life for God. Words could never express how grateful I am to you. Thank you so much for providing the support that allowed me to take the opportunity to be a part of TBI. My life has definitely been changed and first and foremost I thank God but after him I have you to thank. I

truly appreciate your support and will continue to keep you in my prayers. With gratitude and love, Danielle”

The Bible tells us “Study and be eager and do your utmost to present yourself to God approved (tested by trial), a workman who has no cause to be ashamed, correctly analyzing and accurately dividing [rightly handling and skillfully teaching] the Word of Truth”. II Timothy 2:15

Your partnership helps us help others!

Love,
Bill and Beth
