

Winter 2008

Dear Partners,

Happy New Year! We are so excited for you. This is the year of new beginnings. As partners of Champion Ministries, we believe there are blessings on their way from heaven to encompass you and your loved ones! Entering this new season, we want to thank you for your partnership in 2007 and your continued support in 2008.

The heartbeat of Champion Ministries is helping people. Last year we not only circled the globe with the gospel of God's love but also touched the lives of many in the local communities. Lives were changed and healed through the Lamb of God. Your contributions sent us out to the highways and byways, compelling them to come into the house of the Lord and they did! From park outreaches in America to ministering across Asia and everything in between (motorcycle rallies, weddings, funerals, etc.) you were with us.

In Luke chapter six we see Jesus preaching in the Sunday church service. Afterwards He heads over to Peter's house to relax and find's Peter's mother in law sick. The Bible says that He healed her of a great fever. Now the sun is setting, anyone that has a disease comes to Him and Jesus heals all of them throughout the night. It's now daybreak and He finds a quiet place to hang out but the people soon find Him, begging Him not to leave the community. In verse forty two, He told them, "Don't you realize that there are yet other villages where I have to tell the Message of God's kingdom, that this is the work God sent me to do?"

Champion Ministries must also keep going out to proclaim the Message of God's Kingdom. We are going to those other villages and you equip us with your monthly gift. Together we are making a difference. Thank you for all of your prayers and all that you are doing.

We love you,

Bill & Beth
